

Programme

Wed 23 Oct

11:50

Oral presentation

NIDA International Program Research Update

11:50 to 13:20
Auditorium VI
Tom Clarke

Oral presentation

Managing Benzodiazepine Dependence and High-Risk Use with Opiates: A feasibility study of a Co- produced Intervention

11:50 to 13:20
Auditorium II
Catriona Matheson

Oral presentation

Treatment of benzodiazepine withdrawal through taper dosing is most successful when it lasts less than 6 months.

11:50 to 13:20
Auditorium II
Alert Drishti

Oral presentation

Understanding the research capacity of Australian alcohol and other drug services

11:50 to 13:20
Auditorium VI
Robert Stirling

Oral presentation

Report from LX24 side event - Strengthening networks and sharing innovation in practices on

Oral presentation

The effectiveness of naloxone in reversing opioid overdose: The European naloxone

Oral presentation

A global perspective on the emotions associated with chemsex practice to better support the community

research and surveillance in the drugs field

11:50 to 13:20
Auditorium VI
Vickna Kasinather
Charles Parry

outcome research study (NalPORS)

11:50 to 13:20
Auditorium II
Nicola Metrebian

11:50 to 13:20
Auditorium IV
Yannick Gaudette

Oral presentation

Addiction and financial burden: Longitudinal 6-time point analysis of risk factors for debt enforcement in Finland

11:50 to 13:20
Room 5B
Atte Oksanen

Oral presentation

Addressing gender, diversity, and precarity: participatory research to transform addiction services in Canada

11:50 to 13:20
Auditorium IV
Karine Bertrand

Oral presentation

Bipolar disorder and severe poisoning due to medicines or illicit substances

11:50 to 13:20
Auditorium VII
Aleksi Hamina

Oral presentation

Bringing law enforcement officers (LEO) closer to other agents of prevention: A UNODC Guiding Document

11:50 to 13:20
Room 5A
Ali Yassine

Oral presentation

Chemsex Professional Training Program in Catalonia

11:50 to 13:20
Auditorium IV
Elena Adán Ibáñez

Oral presentation

Children AMplified Prevention Services (CHAMPS): Amplify Children Resilience through a comprehensive prevention system

11:50 to 13:20
Room 5A
Ali Yassine

Oral presentation

Cultural safety and telecare. A systematic scoping review and sector survey

11:50 to 13:20
Auditorium III
Rodrigo Ramalho

Oral presentation

Drug Consumption Rooms in Europe. Operational characteristics, capacities, services and its associated factors.

11:50 to 13:20
Auditorium III
Joana Moura

Oral presentation

Enhanced self-efficacy in HCV management: educating a multidisciplinary drug and alcohol workforce in Europe and Canada

11:50 to 13:20
Room 5C
Emma Day

Oral presentation

Enhancing Capacity for Comprehensive Drug Use Response in Humanitarian Settings

11:50 to 13:20

Oral presentation

Exploring Australian addiction workers' views on inclusive treatment for transgender and gender diverse (TGD) clients.

11:50 to 13:20
Room 5C
Nic Robinson-Griffith

Oral presentation

Foundations of Prevention Science and Practice Curriculum: Providing Technical Assistance through Training

11:50 to 13:20
Room 5C
Maria Paula Luna Jimenez

Oral presentation

Gambling Disorder and Work Disability: A National Registry Study in Sweden

11:50 to 13:20
Room 5B
Viktor Mansson

Oral presentation

Hazardous substance use and mental health among refugees in shared accommodations - a mixed-methods study

11:50 to 13:20
Auditorium VII
Miriam Lorenz

Oral presentation

Lisdexamfetamine in the treatment of methamphetamine dependence, a randomised controlled trial

11:50 to 13:20
Auditorium II
Nadine Ezard

Oral presentation

Modelling the wider socio-economic costs of problematic opioid use in the UK

11:50 to 13:20
Auditorium VIII
George Keel

Oral presentation

Prevalence of opioid dependence in Scotland, 2015-2020: results from a Multi Parameter Estimation of Prevalence model

11:50 to 13:20
Auditorium VIII
Hayley Jones

Oral presentation

Problem Gambling Among Criminal Sanction Clients: Project Overview

11:50 to 13:20
Room 5B
Sari Castrén

Oral presentation

Scaling up Harm Reduction: Results of the 3-year Take-Home Naloxone project NALtrain in Germany.

11:50 to 13:20
Room 5C
Simon Fleißner

Oral presentation

Substance Use, Sexual Pleasure and Recovery among gbMSM: Addressing Sexual Satisfaction in Addiction Interventions

11:50 to 13:20
Auditorium IV
Maxime Blanchette

Oral presentation

Oral presentation

Oral presentation

Suicide-related service presentations following residential treatment for substance use disorders: a data linkage study

11:50 to 13:20
Auditorium VII
Calvert Tisdale

Oral presentation

The reciprocal effects of gambling expenditure and crime.

11:50 to 13:20
Room 5B
Don Weatherburn

Oral presentation

Twenty-one years of heroin-related mortality in Australia: Joinpoint regression analysis of trends by age and gender

11:50 to 13:20
Auditorium VIII
Amanda Roxburgh

Oral presentation

The gendered impacts of drug stigma - a qualitative study with 10 street-involved women who use drugs in Porto

11:50 to 13:20
Auditorium IV
Cristiana Vale Pires

Oral presentation

The role of physical activity in preventing relapse: the perception of participants

11:50 to 13:20
Auditorium III
Florence Piché

Oral presentation

Underestimate of deaths due to specific opioids in England and Wales for a decade

11:50 to 13:20
Auditorium VIII
Shuoqi Chen

The impact of severe mental illness on treatment retention and all-cause mortality of people in opioid agonist treatment

11:50 to 13:20
Auditorium VII
Nicola Jones

Oral presentation

The Staying Safe Programme: A new online education approach to reducing drug related harm for university students

11:50 to 13:20
Room 5A
Adam Winstock

Oral presentation

User experiences of a digital intervention among individuals on opioid use disorder treatment in Kenya

11:50 to 13:20
Auditorium III
Sarah Kanana Kiburi

“Good health has nothing to do with alcohol”: perceptions and impacts of a French alcohol prevention campaign

11:50 to 13:20
Room 5A
Guillemette Quatremere

14:20

Oral presentation

Engaging governments and providing technical assistance

14:20 to 15:50
Room 5C
Goodman Sibeko

Oral presentation

Why is a gender perspective needed in the drug field? Insight from the latest European drugs data.

14:20 to 15:50
Auditorium VIII
Linda Montanari

Oral presentation

Regional activity undertaken by the African Union

14:20 to 15:50
Room 5C
Abel Basutu

Oral presentation

Structure and predictive validity of alcohol use disorder recovery domains in young adulthood

14:20 to 15:50
Auditorium II
George Richardson

Oral presentation

An 11-year analysis of alcohol-related emergency

Oral presentation

Developing the Addiction Workforce in Africa:

Oral presentation

Building a substance use workforce network in

department presentations by young people, from an EU hospital setting

14:20 to 15:50
Auditorium II
Marie Hyland

Progress and Issues

14:20 to 15:50
Room 5C
Kevin Mulvey

Africa

14:20 to 15:50
Room 5C
Rasha Abi Hana

Oral presentation

Heavy episodic drinking among French adolescents between 2005 and 2022: a gender perspective.

14:20 to 15:50
Auditorium II
Eric Janssen

Oral presentation

Bridging the Gap: Exploring School Survey Data in Drug Policy and Prevention - Insights from the ESPAD-MedSPAD Project

14:20 to 15:50
Room 5A
Elisa Benedetti

Oral presentation

Changes in cannabis potency and cannabis-related harms: A 22-year ecological study in Denmark

14:20 to 15:50
Room 1.07
Kristine Rømer Thomsen

Oral presentation

Deficits in cognitive functions across different types of Internet-use disorders: Gender-related differences

14:20 to 15:50
Room 5B
Silke M. Müller

Oral presentation

Developing and operationalising a multi-component drug outreach service for young people aged 16-25 in England

14:20 to 15:50
Room 5A

Oral presentation

Digital components in interventions aiming to reduce or prevent alcohol use among young people: A scoping review.

14:20 to 15:50

Oral presentation

Drug-induced homicide laws in the US: current trends, stakeholder opinions, and public health impacts

14:20 to 15:50
Auditorium VI
Jennifer Carroll

Oral presentation

Effect of acute stress on cue reactivity and craving in online buying-shopping disorder and social network use disorder

14:20 to 15:50
Room 5B
Elisa Wegmann

Oral presentation

Gender Compression Over Time in Measures of Cannabis Use by Age and Cohort in the United States

14:20 to 15:50
Auditorium VIII
Michael Vuolo

Oral presentation

Global coverage of interventions to prevent and manage injecting drug use related harms in prisons: a systematic review

14:20 to 15:50
Auditorium VI
Thomas Santo Jr.

Oral presentation

Judge Demographics and Their Impact on Sentencing of Drug Crimes

14:20 to 15:50
Auditorium IV
Sarah Henry Davis

Oral presentation

Levels of toxicants among people who vape, smoke, dual use, or do neither among people with and without psychosis.

14:20 to 15:50

Oral presentation

Leximetric analysis of drug laws and evaluation of outcomes: cross-country analyses approach

14:20 to 15:50
Auditorium IV
Carla Rossi

Auditorium VII
Eve Taylor

Oral presentation

MATPACT: An innovative approach to finding Scotland's forgotten generation

14:20 to 15:50
Auditorium VI
Marion Gillies

Oral presentation

Navigating the Shift: Understanding the Dynamics of Cannabis Use in Germany Amidst Legalization Prospects

14:20 to 15:50
Auditorium IV
Sally Olderbak

Oral presentation

Pharmacology of generic ban-evading synthetic cannabinoid receptor agonists: are new compounds spicing up the market?

14:20 to 15:50
Room 1.07
Marie Deventer

Oral presentation

Policy and Practice Responses to Drug-Related Deaths: Governance issues in English and Welsh Prisons, 2015-2021

14:20 to 15:50
Auditorium VI
Karen Duke

Oral presentation

Proximal and distal cues in social network use disorder: the interplay of cue-reactivity, craving, and acute stress

14:20 to 15:50
Room 5B
Annica Kessling

Oral presentation

Psychological distress, tobacco

Oral presentation

Risk and protective factors in

Oral presentation

Risk factors for the gambling, smoking and

smoking and alcohol use: a population survey in Great Britain

14:20 to 15:50
Auditorium VII
Erikas Simonavičius

Oral presentation

Smokers' careers and mental health: overlapping perspectives on cannabis and tobacco use

14:20 to 15:50
Auditorium VII
Joana Sisternas-Tusell

Oral presentation

The Neurobiological and Neuropsychological Link Between Gambling Disorder and

adolescents: adapting Communities that Care Youth Survey for Portuguese context

14:20 to 15:50
Room 5A
Susana Henriques

Oral presentation

Smoking and nicotine use behaviours among women of reproductive age: a ten-year population study in England

14:20 to 15:50
Auditorium VIII
Sharon Cox

Oral presentation

The perspective of transgender and non-binary people on their substance use trajectories

alcohol consumption triad: an observational study in Portuguese adolescents

14:20 to 15:50
Room 5A
Pedro Ramos

Oral presentation

The challenge of cannabis quantification: from theory to practice

14:20 to 15:50
Room 1.07
Cláudia Sousa-Reis

Oral presentation

The effects of legislative measures for 3-MMC in the Netherlands on drug sample composition and self-reported effects.

14:20 to 15:50
Auditorium IV
Pieter Oomen

Substance Abuse

14:20 to 15:50
Room 5B
Gisela Simões

and resilience processes

14:20 to 15:50
Auditorium VIII
Abdelhakim Missoum

16:00

Oral presentation

Increased hepatitis C and HIV incidence among people who inject drugs in Montreal, Canada, 2011-2023

16:00 to 17:30
Auditorium IV
Sarah Larney

Oral presentation

Alcohol Mis(Use) among Migrants, Asylum-seekers and Refugees: state-of-the-art

16:00 to 17:30
Auditorium II
Maria Pires Cameira

Oral presentation

Canada synthetic opioids situation

16:00 to 17:30
Auditorium VIII
Pam Kent

Oral presentation

Emerging drug trends - what are the issues and how can we strengthen preparedness

16:00 to 17:30
Auditorium VIII
Paul Griffiths

Oral presentation

Harm reduction interventions and Indigenous peoples: The first Managed Alcohol Program in Montreal

16:00 to 17:30
Auditorium II
Rossio Motta-Ochoa

Oral presentation

Predictors of outcome in individuals with alcohol use disorder and a treatment goal of controlled drinking

16:00 to 17:30
Auditorium II
Anders Hammarberg

Oral presentation

The U.S. international perspective including the Global Coalition

16:00 to 17:30
Auditorium VIII
Charlotte Sisson

Oral presentation

Crafting the international standard: Establishing and

**implementing
core outcome
measures for
alcohol brief
interventions**

16:00 to 17:30
Auditorium II
Gillian W. Shorter

Oral presentation

**US experience
with synthetic
drugs**

16:00 to 17:30
Auditorium VIII
Christopher M. Jones

Oral presentation

**"Boxing
Clever Cork
saved my
life": an
evaluation of
an Irish early
addiction
recovery
initiative**

16:00 to 17:30
Auditorium III
Rebekah Brennan

Oral presentation

**A Safer
Downtown for
All: Including
People Who
Use Drugs in
the Solutions
to Social
Disorder**

16:00 to 17:30
Auditorium III
Rob Boyd

Oral presentation

**Acute drug-
toxicity
presentations
involving crack
cocaine to
Euro-DEN Plus
sentinel
hospitals in
Europe from
2014-2022**

16:00 to 17:30
Room 5A
Isabelle Giraudon

Oral presentation

**Antipsychotics
and relapse
risk in persons
with first-
episode
psychosis and**

Oral presentation

**Associations of
alcohol
consumption
with long-term
mortality of
ART-naïve**

Oral presentation

**Building
Capacity For
Future
Evaluation of
Residential
Treatment for**

**co-occurring
cannabis use
disorder**

16:00 to 17:30
Auditorium VII
Heidi Taipale

Oral presentation

**Cannabinoid
Use Experience
among
inpatients with
psychotic
symptoms - A
Cross-Sectional
study in a
Portuguese
Hospital**

16:00 to 17:30
Auditorium VII
Carolina Afonso Romano

Oral presentation

**Documenting
major shifts in
methamphetamine
and heroin
prices and
purity in
metropolitan
and rural**

**persons
seeking HIV
care.**

16:00 to 17:30
Auditorium IV
Daniel Fuster

Oral presentation

**Challenges and
support needs
among persons
with a
migration
background
who use drugs
in four
metropolitan
cities**

16:00 to 17:30
Room 5C
Wouter Vanderplasschen

Oral presentation

**Drug markets
and financial
flows:
underground
banking in the
Netherlands**

16:00 to 17:30
Auditorium VI

**People
Experiencing
Homelessness
and Addiction**

16:00 to 17:30
Auditorium III
Ed Addison

Oral presentation

**Considering
the prevention
workforce: a
study on
practitioner
needs when
recommending
substance use
interventions**

16:00 to 17:30
Room 1.06
Natalie Blackburn

Oral presentation

**Decentralized
consultation
for infectious
diseases with
at-risk
populations:
preliminary
results**

16:00 to 17:30
Auditorium IV
Paulo Caldeira

Oral presentation

**Drug poisoning
deaths of
under 30-year-
olds - Key
issues in the
cause of death
investigation
documents**

Victoria, Australia

16:00 to 17:30
Auditorium VI
Kasun Rathnayake

Nienke Liebrechts

16:00 to 17:30
Room 5A
Sanna Rönkä

Oral presentation

**Drug use and
(non-)use of
addiction
treatment by
women in
French
Guyana:
gender and
migration
effects**

16:00 to 17:30
Room 5C
Estelle Filipe

Oral presentation

**Effects of
recreational
cannabis
versus black
market: A
randomized
controlled trial
in Switzerland
(WEED CARE)**

16:00 to 17:30
Auditorium VI
Lavinia Baltes

Oral presentation

**Evaluating and
comparing
health quality
for addiction
treatment in
the Lazio
region, Italy**

16:00 to 17:30
Room 1.06
Antonella Camposeragna

Oral presentation

**How do purity
and price of
cocaine affect
consumption in
Austria?**

16:00 to 17:30
Auditorium VI
Birgit Priebe

Oral presentation

**How do you
make it work?
A pragmatic
framework for
the Sustained
Uptake of
Service
Innovations
(SUSI).**

16:00 to 17:30
Room 1.06
Catherine Foley

Oral presentation

**Instruments
assessing
Gaming
Disorder in
children and
adolescents - A
systematic
review of
psychometric
properties**

16:00 to 17:30
Room 5B
Samantha Schlossarek

Oral presentation

Oral presentation

Oral presentation

Oral presentation

Migrants in the criminal justice system: A qualitative understanding of the role of substance use in their lives

16:00 to 17:30
Room 5C
Marjolein De Pau

Oral presentation

Mortality among first-time opioid agonist therapy patients in Austria, 2002-2021: A national retrospective cohort study

16:00 to 17:30
Room 5A
Tanja Schwarz

Oral presentation

Mothers receiving substance use treatment involved in care proceedings: A record linkage cohort study

16:00 to 17:30
Room 5A
Martha Canfield

Oral presentation

Planning and Monitoring drug and alcohol treatment in Denmark. The MapPlan project.

16:00 to 17:30
Room 1.06
Mads Uffe Pedersen

Oral presentation

Psychoactive Substance Use Among Russian Migrants Relocated to Georgia Following the 2022 Ukrainian Invasion

16:00 to 17:30
Room 5C
David Otiashvili

Oral presentation

Real-world effectiveness of antipsychotic medication in relapse prevention after cannabis-induced psychosis

16:00 to 17:30
Auditorium VII
Antti Mustonen

Oral presentation

Refugees & drug use in Belgium: A national study on drug-related intervention needs in the reception setting (DrugInt)

16:00 to 17:30
Room 5C
Charlotte de Kock

Oral presentation

Oral presentation

Oral presentation

Screening Measures on Internet Use Disorders in Children and Adolescents - A Delphi Study

16:00 to 17:30
Room 5B
Hans-Juergen Rumpf

Superiority and cost-effectiveness of Individual Placement and Support for people with alcohol and drug dependence

16:00 to 17:30
Auditorium III
John Marsden

The Gaming Disorder Identification Test (GADIT) - A screening tool for Gaming Disorder based on ICD-11

16:00 to 17:30
Room 5B
Gary Chan

Oral presentation

The Problematic Behaviour Scale (PBS-10): psychometric characteristics and cut-offs using Swiss national survey data

16:00 to 17:30
Room 5B
Sebastian Mader

Oral presentation

“Into a whirlwind”: Navigating psychosis and anti-psychotic treatment among youth entrenched in an urban drug scene

16:00 to 17:30
Auditorium VII
Trevor Goodyear

Oral presentation

“They kicked me out of hospital twice”: barriers and facilitators accessing care with an injecting-related infection

16:00 to 17:30
Auditorium IV
Samantha Colledge-Frisby

Oral presentation

Application of the International Standards for the Treatment of Drug Use Disorders and the Key Quality Standards for service appraisal

17:50 to 19:20
Auditorium II
Anja Busse

Oral presentation

International Consortium on Quality in Substance Use Disorders Treatment

17:50 to 19:20
Auditorium II
Rita Notarandrea

Oral presentation

Insights from the Recipient of the first ICQ Quality Seal Award

17:50 to 19:20
Auditorium II
Michael W. Johnson

Oral presentation

PIQAT: Program for International Quality Assurance in Treatment

17:50 to 19:20
Auditorium II
Mariano Montenegro

Oral presentation

(De)criminalisation of drug possession as a litmus test of national drug policy? Experience from the Czech Republic

17:50 to 19:20
Auditorium VI
Petr Zeman

Oral presentation

20-year trends in Australian methamphetamine related deaths: An age-period-cohort-interaction analysis

17:50 to 19:20
Auditorium IV
Oisin Stronach

Oral presentation

A Collaborative Approach to New Drug Identification in an Emerging Drug Early Warning System

17:50 to 19:20
Auditorium III
Donna Papsun

Oral presentation

Achieving universal health coverage of opioid agonist treatment in Norway: a
