

Programme

Wed 23 Oct

10:00

e-short communication

"Moving at the speed of trust": development of a digital tool to improve community-driven overdose response

10:00 to 19:20
Digital kiosks
Kasey Claborn

e-short communication

60 years of support in alcohol use disorder recovery in Croatia

10:00 to 19:20
Digital kiosks
Irma Kovco Vukadin

e-short communication

A critical investigation of employing peer-interviewers in problematic substance use studies

10:00 to 19:20
Digital kiosks
thomas svendsen

e-short communication

A nationwide study on hospitalizations aimed to analyse pathologies affecting drug users

10:00 to 19:20
Digital kiosks
Susanna Conti

e-short communication

A Network Approach to Sleep Problems and Symptom Activation in Internet Gaming Disorder

10:00 to 19:20
Digital kiosks
Joana Cardoso

e-short communication

A Novel Point-of-Care Detection Device for the rapid analysis of Novel Psychoactive Substances

e-short communication

A RETROSPECTIVE STUDY OF THE LIVED EXPERIENCE OF CHILDREN WHOSE MOTHERS

e-short communication

A service evaluation pilot study of Buprenorphine Long acting injection

10:00 to 19:20
Digital kiosks
Paster Venan

10:00 to 19:20
Digital kiosks
Rachael Andrews

ENGAGED IN PROSTITUTION

e-short communication

10:00 to 19:20
Digital kiosks
Monique DeBrincat

**A single-case
experimental
design study
on the
integration of
VR within TAU
for patients
with SUD and
ID.**

10:00 to 19:20
Digital kiosks
Meike Berkhoff

e-short communication

**A systematic
review and
qualitative
exploratory
study
identifying
negative
aspects of
medical
cannabis**

10:00 to 19:20
Digital kiosks
Or Gliksberg

e-short communication

**A theory-
informed, arts-
based
intervention to
change
community
attitudes of
people who
inject drugs
released from
prison**

10:00 to 19:20
Digital kiosks
Carla Treloar

e-short communication

**Addiction and
offending
behavior:
clinical
characteristics
and treatment
outcomes in
forensic
addiction care**

10:00 to 19:20
Digital kiosks
Ilse Luteijn

e-short communication

**Addiction
recovery
among opioid-
dependent
patients
treated with
subcutaneous
buprenorphine
depot: an
interim
analysis**

10:00 to 19:20
Digital kiosks
Bernd Schulte

e-short communication

Addictive Behaviours among People with Disabilities

10:00 to 19:20
Digital kiosks
Julian Strizek

e-short communication

Addressing stimulant use and co-occurring ADHD through medication-assisted treatment: expanding harm reduction options

10:00 to 19:20
Digital kiosks
Maria Malakhova

e-short communication

Alcohol and drug related emergency presentations in Albania

10:00 to 19:20
Digital kiosks
Esmeralda Thoma

e-short communication

Alcohol and smoking among pregnant women in Austria - results of a mixed-methods study

10:00 to 19:20
Digital kiosks
Alexandra Puhm

e-short communication

Alcohol drinking severity, craving, cognition and blood parameters in alcohol-dependent persons recovered from COVID-19

10:00 to 19:20
Digital kiosks
Zrnka Kovačić Petrović

e-short communication

Alcohol use and alcohol use disorders in Sub-Saharan Africa: A systematic review and meta-analysis

10:00 to 19:20
Digital kiosks
Habte Gobie

e-short communication

Alcohol use disorders: patients' and professionals' perspectives

10:00 to 19:20
Digital kiosks
Caroline Protais

e-short communication

Alcohol, Tobacco and Medication Consumption in University Students: Perception of

Satisfaction with Life and Well-Being

10:00 to 19:20
Digital kiosks
Filipa Coelho

e-short communication

Alternatives to Direct Observed Therapy in the Treatment of Opioid Dependence - a Mixed Study in Portugal

10:00 to 19:20
Digital kiosks
Maria Inês Pires

e-short communication

An exploration of organizational climate in community-based opiate prescribing services; a mixed methods study

10:00 to 19:20
Digital kiosks
Peter Kelly

e-short communication

An Integrative Model of Indicated Prevention

10:00 to 19:20
Digital kiosks
Isabel Prata

e-short communication

Analysing patterns of AOD use in regional Australia: Impacts of stigma and discrimination on access to services.

10:00 to 19:20
Digital kiosks
Brooke Crabtree

e-short communication

Assessing the costs of punitive drug policy paradigms and sharing lessons from decriminalization in the United States

10:00 to 19:20
Digital kiosks

e-short communication

Assessing the Effectiveness of an Educational Alcohol Prevention Program among Adolescent Population in Catalonia

10:00 to 19:20

e-short communication

Association between gambling behaviors, venues, legality, and substance use among gamblers in Israel

10:00 to 19:20
Digital kiosks

e-short communication

Association of cannabis and tobacco use with brain volume: a systematic review and meta-analysis

10:00 to 19:20
Digital kiosks
Katherine Sawyer

e-short communication

Behavioral addictions in the natural environment: A systematic review on ambulatory assessment methods

10:00 to 19:20
Digital kiosks
Anna Knorr

e-short communication

Being prepared for humanitarian contexts with a caregiver skills resource model; an example from Ukraine

10:00 to 19:20
Digital kiosks
Ali Yassine

e-short communication

Benefit of a sustained community-based psychiatric intervention for people who inject drugs (DRIVE-Mind 2 project).

10:00 to 19:20
Digital kiosks
Laurent Michel

e-short communication

Beyond prohibition: innovating psychoactive substance control - the czech way

10:00 to 19:20
Digital kiosks
Jana Michailidu

e-short communication

Breaking stigmas: a mixed-design study on social stigma after 22 years of drug use decriminalisation in Portugal

10:00 to 19:20
Digital kiosks
Mariana Matos

e-short communication

Bridging science and policy: navigating the strengths and complexities of evidence-based drug policy at multiple levels

10:00 to 19:20
Digital kiosks
Catherine Comiskey

e-short communication

**Bridging
Voices: a
community
initiative for
tobacco harm
reduction in
Lisbon,
Portugal**

10:00 to 19:20
Digital kiosks
Community research
officer Adriana Curado

e-short communication

**Building a
roadmap and
advocacy
strategy for
drug policy
reform in
Malaysia**

10:00 to 19:20
Digital kiosks
Palani Narayanan

e-short communication

**Building of
prevention
infrastructure:
Interactive
Platform for
Mental Health
Support and
Risk Behavior
Prevention**

10:00 to 19:20
Digital kiosks
Elizabeth Nováková

e-short communication

**Building trust
with people
using illicit
drugs: An
interview study
of street-based
harm reduction
services in
Finland**

10:00 to 19:20
Digital kiosks
Johanna Ranta

e-short communication

**Cannabis
dispensary
staff
perspectives on
trustworthiness
of social
media:
Qualitative
study with
California
budtenders**

10:00 to 19:20
Digital kiosks
Meredith Meacham

e-short communication

**Capacity
Building:
Practical
Implementation
of the
“INTERLEAV
Toolkit”**

10:00 to 19:20
Digital kiosks
Thomas Legl

e-short communication

**Caring is
sharing: drug
demand and
Portuguese
drug policy**

10:00 to 19:20
Digital kiosks
Ximene Rego

e-short communication

**CBT4CBT WEB-
BASED-ADD-ON
TREATMENT
FOR COCAINE
USE DISORDER:
RESULTS OF A**

e-short communication

**Characteristics
and
trajectories of
individuals
seeking
treatment for**

e-short communication

**Characterizing
activities,
motivations,
and roles in
drug
trafficking: the**

RANDOMIZED CONTROLLED TRIAL

10:00 to 19:20
Digital kiosks
Núria Mallorquí-Bagué

e-short communication

**Chemical
profiling and in
vitro neuronal
assessment of
the
oneirogenic
plant *Calea
zacatechichi*
Schltdl.**

10:00 to 19:20
Digital kiosks
Maria Rita Garcia

e-short communication

**Cognitive
training and
remediation:
How to apply
evidence and
expert
endorsed
interventions
in clinical
practice**

10:00 to 19:20
Digital kiosks
Antonio Verdejo-Garcia

e-short communication

**Comparing
teenagers''
perceived
exposure to
Digital Alcohol**

cocaine addiction in Switzerland

10:00 to 19:20
Digital kiosks
Ivo Krizic

e-short communication

**Civil
commitment
for alcohol and
other drug
dependence:
perspectives
from people
with lived or
living
experience**

10:00 to 19:20
Digital kiosks
Keelin O'Reilly

e-short communication

**Cognitive,
psychomotor
and
psychotomimetic
effects of a
synthetic
cannabinoid**

10:00 to 19:20
Digital kiosks
Eef Theunissen

e-short communication

**Comprehensive
Outreach Work
Intervention
with Lawyering
Advocacy**

Portuguese judicial case of Malha Branca

10:00 to 19:20
Digital kiosks
Olga Souza Cruz

e-short communication

**Cocaine-
related
hospital
admissions in
Ireland from
2005 to 2019,
a period of
varying
national
economic
performance**

10:00 to 19:20
Digital kiosks
Peter McCarron

e-short communication

**Collaborative
innovation in
the
development
of services for
bereaved after
drug-related
deaths through
research
circles**

10:00 to 19:20
Digital kiosks
Susanne Trønnes

e-short communication

**Creating a
peer-led guide
about drugs
interactions
and the risks**

Marketing and its impact in 6 European regulation frameworks

10:00 to 19:20
Digital kiosks
Carine MUTATAYI

Action in Athens: Action Research Project Evaluation

10:00 to 19:20
Digital kiosks
Gerasimos Papanastasatos

associated

10:00 to 19:20
Digital kiosks
Vincent de Maisonneuve

e-short communication

Cyber pornography use, perceived addiction and depression in Indonesian users: the moderating role of religiosity

10:00 to 19:20
Digital kiosks
Farhandika Mursyid

e-short communication

Defining and organizing drug checking implementation in France using a Delphi method : the Checknow project

10:00 to 19:20
Digital kiosks
Perrine Roux

e-short communication

Descriptive analysis of consumption patterns and profile of users of supervised consumption rooms, Catalonia 2017-2022.

10:00 to 19:20
Digital kiosks
Irene Lana

e-short communication

Developing a national overdose warning system - the Norwegian experience

10:00 to 19:20
Digital kiosks
Else Kristin Utne Berg

e-short communication

Development of a health registry for service recipients with substance use and mental health problems (Userplan)

10:00 to 19:20

e-short communication

**DiverGENTE:
case
characterization
of an LGBTQ-
focused
addictology
outpatient
service in
Lisbon, 2020-
2023**

10:00 to 19:20
Digital kiosks
Filipe Couto Gomes

e-short communication

**Diverse Belief
Systems in
Mutual Help
Groups for
Alcohol Use
Disorder:
Alcoholics
Anonymous
and 12-step
Alternatives**

10:00 to 19:20
Digital kiosks
Shiori Tsutsumi

e-short communication

**Does
personality
predict
negative
cannabis
consequences
among United
States adults
who use
cannabis daily?**

10:00 to 19:20
Digital kiosks
Jamie Parnes

e-short communication

**Drug checking
in Austria and
identification
of associated
user
characteristics**

10:00 to 19:20
Digital kiosks
Alexandra Karden

e-short communication

**Dual
Depression:
the challenge
of the
treatment. A
traslational
approach.**

10:00 to 19:20
Digital kiosks
Marta Torrens

e-short communication

**Dynamics of
filled opioid
prescriptions
in Austria: a
retrospective
population-
based study**

10:00 to 19:20
Digital kiosks
Aylin Bilir

e-short communication

**Efficacy of a
cognitive
training
program
targeting
inhibition in
alcohol use
disorder: a
randomized
controlled trial**

10:00 to 19:20
Digital kiosks
Amandine Luquiens

e-short communication

**Eliminating
Hepatitis C in
Europe:
Insights from a
Civil Society
Monitoring of
Harm
Reduction in
Europe.**

10:00 to 19:20
Digital kiosks
Tuukka Tammi

e-short communication

**Embedding
innovation in
the
development
of a national,
integrated
alcohol service**

10:00 to 19:20
Digital kiosks
Catherine Comiskey

e-short communication

Embracing a Sociologically-Informed Harm Reduction to Better Support People who Use Drugs

10:00 to 19:20
Digital kiosks
Maryellen Gibson

e-short communication

Empowering Change: Social Work's Role in Preventing Smoking and Shaping Tobacco Discourse

10:00 to 19:20
Digital kiosks
Larissa Steimle

e-short communication

Empowering communities in harm reduction: insights from a community-led drug consumption room in Lisbon

10:00 to 19:20
Digital kiosks
João Santa Maria

e-short communication

Empowering the workforce with digital health - from detox to therapy

10:00 to 19:20
Digital kiosks
